

Jane Kimani Bio

Jane Kimani Bio

Jane Kimani is the executive director of Uhai for Health Inc a nonprofit organization that work with African immigrants and refugees providing culturally and linguistically appropriate community-based prevention, intervention, education, advocacy, and support services that address social determinants of health barriers.

Jane is a graduate of Worcester State University with a bachelor's degree in Community Health Education and a master's in health education. Jane uses her experience as a health educator, addiction counselor and Problem management provider to help address issues affecting the African immigrant community and especially mental health stigma.
